

My name is Kim Ort and I'm a candidate for Vice President of the Association and a board member position. I have lived in Sunset Canyon since 1998 and have enjoyed the peace and beauty of the Dripping Springs area, but especially our neighborhood.

My commitments to you are:

- Working with you, the property owners, to address our issues and concerns
- I will work to keep our family and our homes safe by promoting getting to know your neighbors (which is the basis of the Neighborhood Watch program).
- I would like to help maintain or enhance our property value by:
 - a. Make sure that the common areas are maintained and updated as needed
 - b. Make sure that our voices are heard by the planning boards for Dripping Springs and Hays County

Because of my previous experience as a Director of Marketing at Motorola, I'm used to the art of promotion, negotiation and collaboration. I believe that these skills are assets when I serve as an advocate for us as a member of the board.
